# INDIVIDUA

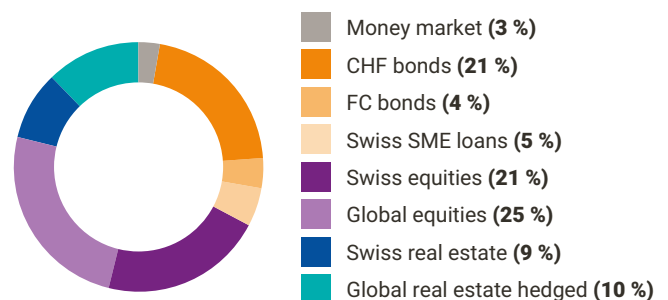

The INDIVIDUA compartment offers you individually tailored occupational pension benefits. INDIVIDUA is suitable for SMEs seeking to invest at least CHF 20 million.

## The benefits for you

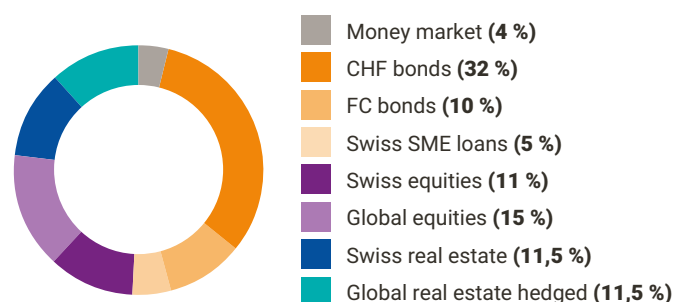

- You have your own pension pot with individual investments and an individual cover ratio. You also set the interest rate and the conversion rate yourself.
- You choose an individual investment strategy or an external asset manager and an external custodian bank.
- You have maximum scope for individualisation in terms of basic pension provision and management pension plans, irrespective of the insured salary.
- Modern online tool offering straightforward management and a transparent overview of your occupational pension scheme.
- Our customer service specialists can provide you with practical support in several languages.
- Our market region heads can travel direct to you. We will be happy to advise you directly at your location.
